TC 8.3 RESEARCH SUBCOMMITTEE MINUTES OF MEETING IN LAS VEGAS, NV

TC 8.3 Research Subcommittee met on January 30, 2017 in Las Vegas, NV. A list of minute recipients and attendees is attached. (Attachment 1)

1. Review of Minutes from June 27, 2016 meeting in St. Louis, MO.

The minutes were reviewed and no changes were requested by the subcommittee members.

2. Application Guide for Absorption Cooling/Refrigeration and Heating RTAR 1796

The RTAR was approved in November of 2016 for submission of a work statement.
(Attachment 2)

"accepted with comments" at St Louis
(Jun 20-16) meeting of RAC.

Volunteers for submitting the work statement:
Paul Sarkisian, Tim Wagner and Doug Davis.

The work statement is expected to be available for vote at the summer 2017 meeting.

3. RTAR Development; Development of Cogen/Trigeneration Tools for Building Designers

Questions raised by the review committee have been answered. The limited voter participation of the TC 8.3 committee vote in St. Louis was challenged and a higher voting member participation vote was requested.

A new vote was called for in the main committee meeting: 6-0-0-CV

Volunteers to finalize and submit the RTAR: Paul Sarkisian and Jinchao Yuan.

The latest draft is attached. (Attachment 3)

4. New RTAR “Design Guide for Thermally Activated Heat Pumps”

Tim Wagner reported as follows:

Tim stated that he did not have sufficient information to justify a stand-alone project given the already active Design Guide RTAR.

5. Other Business

None
